EDUCATION

2021
AHMET YESEVI UNIVERSITY

- Cybersecurity
(M.Sc.)

2019
AHMET YESEVI UNIVERSITY

- Management Information Systems
(M.Sc.)

2018
AHMET YESEVI UNIVERSITY

- Occupational Health and Safety
(M.Sc.)

2015
ISTANBUL TECHNICAL UNIVERSITY

- Earthquake Engineering
(M.Sc. With Thesis)

2010
BALIKESIR UNIVERSITY

- Civil Engineering
(B.Sc.)

ABDULKADİR GÜNGÖR

Software Development Specialist

🔗 <https://abdulkadiringunor.com>

ABOUT

I am a versatile Software Development Specialist who combines the analytical discipline derived from Civil Engineering with academic depth in Cybersecurity, Management Information Systems, and Artificial Intelligence. While developing scalable enterprise solutions using C# and the .NET ecosystem in accordance with SOLID principles, I integrate my expertise in malware analysis and information security standards into the software lifecycle from a holistic perspective. By reinforcing my academic background in AI and data analytics with the technical e-books I have published on cybersecurity and my strong engineering foundation, I deliver innovative and secure software solutions for complex projects.

Software Development Projects & Works

MILITARY SERVICE

- Completed

LANGUAGES

- English, C1 Level

SKILLS

- Programming Languages:
 - C# (Advanced)
 - C++ (Intermediate)
 - Python (Advanced)
- Frameworks & Technologies:
 - .NET Core (MVC, Web API)
 - .NET Framework (MVC)
 - Entity Framework Core (Code First & DB First)
 - Entity Framework (EF)
- Databases:
 - MySQL
 - SQLite
 - NoSQL
- Web Technologies:
 - HTML
 - CSS
 - JavaScript (Intermediate)
- Architecture & Principles:
 - Object-Oriented Programming - OOP
 - SOLID Principles
- Tools & Platforms:
 - Git / GitHub
 - Linux OS
- Other Areas:
 - Network Management
 - Information Security Management System (ISO 27001)
 - Malware Analysis

EXPERIENCE

I have gained professional experience in developing scalable applications, with a dedicated focus on the .NET ecosystem and modern software architectures. By blending my advanced software training at Bilge Adam Akademi with my technical expertise in cybersecurity and malware analysis, I deliver end-to-end software solutions for my freelance projects. I continue to provide value-added services in designing complex system architectures, database management, and security-oriented software development processes.

- **Freelancer** - Software Development Specialist (2024 - Present)
- **Nida OSGB** - Occupational Health and Safety Specialist (2023 - 2024)
- **Kütahya Öztaş Mak.** - Occupational Health and Safety Specialist (2019 - 2020)
- **NBY Construction Co. Inc.** - Civil Engineer (2015 - 2018)
- **BSI Engineering** - Project Engineer (Civil Engineer) (2014)
- **Yapi Teknik Project Consultancy and Engineering Ltd. Co.** - Project Engineer (Civil Engineer) (2013 - 2014)
- **Avrasya Metro Group** - Intern (2008)
- **DSİ** - Intern (2007)

CERTIFICATIONS AND COURSES

- **Veri Analiz Okulu**

I completed the 'Digital Humanities' and 'Artificial Intelligence and Machine Learning' programs at Marmara University, METU, and ITU, which are governed by the Yükseköğretim Kurulu (YÖK), in 2026.
- **Software (.NET) Certification Program**

I received a certificate of achievement (320 hours) from Bilge Adam Academy in 10/2024.

Education Details: .NET Framework MVC, .NET Core MVC / WEB API, C#, EF/EF Core (Project development with Code First and DB First approach), strong knowledge of OOP, Design Patterns, Architecture Patterns (N-Tier and Onion) and SOLID Principles.
- I received **"Protection of Personal Data"** training from Gedik University in 01/2023.
- I received **"Network Management"** training from Gedik University in 01/2023.
- I received **"Database Management Training"** from Gedik University in 01/2023.
- I received **"ISO 27001 Information Security Management System"** training from TOBB University of Economics and Technology in 06/2017.
- I received **"Ethical Hacker Penetration Testing Training"** from Selçuk University in 06/2017.
- I received **"Linux Operating System Training"** from Middle East Technical University Continuing Education Center in 06/2017.
